

PCPA Awards 2019

The winners of this years prestigious PCPA Awards 2019 were announced at the PCPA Annual Conference in London.

We would like to congratulate all our winners for their innovation, inspiration and clinical excellence which benefits our patients and our profession.

Well done to you all!

Primary Care Pharmacy Team of the year 2019

Congratulations to the winner of our PCPA Pharmacy Team of the Year award.

They received the award for their demonstration of comprehensive innovative clinical care across all surgeries with published positive evaluation of outcomes and benefits.

The winner is Pharmaceutical Public Health Team at Dudley CCG

GP Pharmacist of the year 2019

The winner of the PCPA GP Pharmacist of the year award has demonstrated wide-ranging impact on patient health outcomes in General Practice, Community Pharmacy and public health. He is a champion of innovation, collaboration and integration of pharmacy into care pathways for prevention and treatment. And now shortlisted by his MP for an NHS Parliamentary award too.

Winner of the PCPA GP Pharmacist of the Year is Ade Williams

Darush Attar-Zadeh

Poster winners

2019 Poster winner Heather Bury

(Award accepted on behalf of Heather by colleague Joshua White)

The **winner** of the poster award is
Heather Bury.
Poster title

Benefits of practice based pharmacists

This is an impressive, well-presented poster summarising the process and results of systematically applying a risk stratification tool to practice pharmacist reviews. The multi-professional review panel with educational input adds to validation. Sufficient detail is provided for this good work to be replicated elsewhere.

All posters and presentations from the PCPA annual member conference is online for PCPA members

2019 Poster runner up Timothy Mills

The **Runner Up winner** is
Timothy Mills
Poster title
Pharmacist non-medical prescribing in primary care

A well produced poster summarising a worthwhile review of views, opinions and attitudes of pharmacist prescribers and discussion of some reasons for slow uptake. Well referenced with sound recommendations for action.
